DESIGNED TO BE KIND

Household - DIY - Professional Chemical Products

MASONRY WASH

NON-METHYLENE CHLORIDE NON-CAUSTIC

EP Patent No. 0925335 US Patent No 6632782

ABOUT THE PRODUCT

WHAT IT IS

Masonry Wash is a non-toxic, non-corrosive, water based, wash.

WHAT IT DOES

Stone Cleaning:

Masonry Wash soaks into and softens soot, traffic film, algae, moss and general grime on stone, brickwork, concrete footpaths, etc.

This allows quick, easy removal from the substrate, without causing corrosion.

WHERE TO USE

Masonry Wash is a ready to use liquid, to be sprayed on and scrubbed off. Use on interior or exterior stone, bricks and mortar. Safe on glass and ceramics.

VERSATILITY **Safe on any type of stone.**

SPEED + EFFICIENCY Fast and effective. Non-corrosive, so easy to use. No need for high temperature.

Easy to use - suitable for professional users.

ECONOMY Labour saving. Recyclable plastic packaging – reduced disposal costs.

Kingdom

Made in the United

BFiY Winner 2002

USER FRIENDLINESS

Safe to use. No objectionable odours. Pleasant to use - not harmful or painful if in contact with skin.

SAFETY

- * Non corrosive
- * Non harmful to handle.
- * No obnoxious vapours.
- * No dangerous vapours.
- * No damage to rubber gloves.
- * No damage to plastic or vinyl
- * No damage to substrate

ENVIRONMENTAL FRIENDLINESS

Based on biodegradable, neutral, non-toxic, non corrosive ingredients.

COVERAGE 1 litre covers up to 8 square metres.
 5 litres covers up to 40 square meters.
 25 litres covers up to 200 square metres.

HOW TO GET THE BEST RESULTS

1. Spray area to be cleaned. Ensure generous coverage, to soak the surface.
2. Wait for a few minutes to allow **Masonry Wash** to penetrate.
3. Scrub area to remove grime, soot, etc.
4. Rinse well with clean cold water.
5. Repeat if needed.
6. Wash hands after use.

Caution: Protect eyes when working overhead or outdoors if windy.
 Wear impervious gloves for prolonged use

Whilst Action Products Limited has taken every care to ensure accuracy of the data contained in this document; no guarantee or liability will be assumed. It is recommended that customers satisfy themselves of the suitability of all product purchased for their own use.

STORAGE

Keep container securely closed. Store out of direct sunlight. Protect from frost.

DISPOSAL OF WASTE

Masonry Wash ingredients comply with the European Commission’s “**Green Public Procurement**” guidelines for local authorities, as published in “Guidance for Responsible Public Procurement of Cleaning Products” and by themselves do not constitute a hazard. However, necessary measures may have to be taken to deal appropriately with material(s) washed off the substrate. Relevant regulations will apply.
